

Wild Bird Rehab Haven's 101 Wild Baby Bird Care Class

Come join us for this free and informative workshop that focuses on BABY birds. Topics include:

- *Baby birds this time of year*
- *What to do if you find a baby bird*
- *Hand feeding tools, techniques and dietary guidelines*
- *Common ailments*
- *Leg and wing splint demos*
- *Build your own first aid kit*
- *Sources of supply*

For questions about the class and to RSVP please phone Leslie at (808) 258-1887.

***Every class attendee will receive a FREE bird care kit!
Invite your friends and come join the fun!***
